Covenant Academy is introducing Continuous Enrollment beginning with the 2018-19 school year where only the Book and Resource Fee of \$450 per student will be assessed annually in the month of January (*the first of 10 monthly tuition payments will be made in August and end in June). This is a one-time enrollment process where your student stays enrolled until they either graduate or you opt-out of enrollment for the next school year.

As your child is enrolled for the 2018-19 school year, you will be asked to agree to the terms of the contract which states the following: *"I hereby opt into continuous enrollment. This means that my student will continue coming back to Covenant every year unless I tell the school otherwise. I understand that I have until January 31st each subsequent school year to notify the school office of any changes in my plans of enrollment for my child."*

All tuition payments and incidental family charges (billed separately) are processed through the third party organization, FACTS. During Online Enrollment, each family will select a FACTS Payment Plan relative to methods and timing of payments. FACTS assesses a \$30 fee for any returned payments.

If online enrollment is complete and the re-enrollment fee is received by Jan. 26, 2018, returning families have class placement priority. Classroom placement is not reserved until the enrollment fee has been paid as stated above. Covenant Academy reserves the right to not re-enroll any student if his or her account with Covenant Academy is delinquent.

OPEN ENROLLMENT FOR *NEW* STUDENTS BEGINS FEBRUARY 1.
